

WARA COMMITTEE MEETING 25/11/20

Present (via Zoom): Kevin Underwood, Allan Ziff, Denise Mobbs, David Bradley, Susan Bradley, Tom Osbourne

Agenda:

- 1) Review of last night's APC meeting.
Letter to members summarising issues that were discussed by APC that are important to WARA. – Changes to building/Revised budget on LNOMR. Request answer to Denise's question on who is steering group making big decisions about scaling down building. - Acceptance of traffic calming as detailed by OCC Highways -Issues around cemetery. Copy letter to APC also?
- 2) CGR process – update.
- 3) What are we doing to try and get some transparency about Proposed changes on Sports field development – should we be writing to CDC Planning department on this?
- 4) What are we doing to get access to field back - It may be years before development actually proceeds.
- 5) Newsletter – Content for next issue.
- 6) Traffic calming – update – OCC consultation.
- 7) Flooding issues – short update
- 8) Cemetery – any actions regarding pull tests etc on gravestones
- 9) Survey on St Mary's road
